

Giving litter the flick

I'M HOPING we'll see fewer litterbugs about with the Keep Australia Beautiful gang recruiting a host of spunky and inspirational new ambassadors.

Laura Dundovic, Brodie Harper, Tottie Goldsmith, Rhys Uhlic and Shane Wakelin are among those accepting the challenge to preach to us all about ways to reduce waste, such as recycling our old mobile phones rather than leaving them stashed in drawers.

And cigarette butts dropped by filthy smokers make up half of all litter dropped on our streets. We have a beautiful city, let's keep it that way.
